

# SWING

Soft mesh meeting chairs designed to add a touch of sophistication to meeting and boardroom environments.

**SEAT AND BACK MOVEMENT**  
Pull this lever to release tilt function.  
Pull the lever again when sat at 90° to lock the mechanism and seat in place.

**SEAT HEIGHT ADJUSTMENT**  
Pull this lever to operate the gas lift. This will increase the chair height. Pulling whilst seated will lower chair height.
