

POSE

Distinctive back design with adjustable lumbar support, seat slide and self-tensioning mechanism

5 YEAR GUARANTEE
FOR 8 HOUR USE

ADJUSTABLE LUMBAR SUPPORT
Slide to your desired position, enabling optimum support of your lower back.

SEAT DEPTH ADJUSTMENT
Lift the lever to release seat slide. Distance from backrest can be adjusted up to 50mm

SEAT HEIGHT ADJUSTMENT
PUSH DOWN the front lever to operate the gas lift. This will increase the chair height. Pushing down whilst seated will lower chair height.

SYNCHRONISED SEAT AND BACK MOVEMENT
Lift lever to release tilt function. 2:1 synchronised body balance mechanism that will adjust to the user's individual weight. Push down the lever to lock the mechanism in one of 4 fixed positions.
